

AQUALATCH® Manufacturer's Warranty

Nationwide Industries Tampa, Florida 33619 USA

The AQUALATCH® series latches are designed and manufactured by: Nationwide Industries, Inc.

Note:

Swimming pool gates, fences and their hardware systems are designed to aid and not substitute for adult supervision. To the extent this product is used around a pool, prior to installing, consult local licensing and safety authorities for approvals and/or requirements. The AQUALATCH® will operate properly only if installed in accordance with instructions.

Maintenance: The AQUALATCH® should be inspected annually, or more frequently if the gate is used often. Use a non-toxic lubricant on all moving parts. Use mild soap & water to clean exterior body or unit. Always remove key upon locking. Occasionally re-tighten all mounting screws to assure proper operations. Please make sure product is adjusted properly per originally supplied instructions.

Million Cycle Warranty and Liability Limitation

What Does This Warranty Cover? This warranty covers materials and workmanship as well as any loss of functionality in your new AQUALATCH®, with the exceptions stated below.

How Long Does the Coverage Last? This warranty to the original purchaser (end user) runs for the duration of one million cycles of use. Nationwide Industries assumes this is a true lifetime of use on residential applications, and for commercial applications will use an estimate of usage based on each application.

What Does This Warranty Not Cover? This warranty is void in its entirety in the event the AQUALATCH® is tampered with, altered, misused, neglected, damaged, improperly installed or maintained, repaired or attempted to be repaired by an unauthorized person, or used in any manner which is not in accordance with the instructions provided by Nationwide. Nationwide's aggregate liability in damages or otherwise shall not exceed the payment, if any, received by Nationwide for the AQUALATCH® furnished to you which is the subject of a claim or dispute. In no event shall Nationwide be liable, whether in contract, in tort, under warranty, in negligence or otherwise for incidental, consequential, or special damages of any kind whatsoever, howsoever caused.

What Will Nationwide Do? In the event of any defect in material or workmanship or loss of functionality in the product covered under this warranty, Nationwide will replace such AQUALATCH® with a new AQUALATCH® (or, in the event the AQUALATCH® is no longer available, a latch similar thereto) at no charge.

How Do You Get Service? In the event of any defect in material or workmanship, or failure in the AQUALATCH® covered under this warranty, please return the AQUALATCH® postage paid, together with proof of purchase and a brief written description of the problem to Nationwide Industries, 10333 Windhorst Road, Tampa, Florida 33619, Attention: Customer Service Manager.

How Does State Law Apply? This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

DISCLAIMER

A pool owner or operator is always responsible for the safety of those in or around the pool and, to the extent this product is used around a pool, the manufacturer and supplier of this device cannot and will not accept such responsibility. In addition, the manufacturer and supplier of this device cannot and will not accept responsibility for unauthorized modifications to or for defective or inadequate maintenance of this device. No modification to this device whatsoever is to be made other than with respect to the adjustments outlined in the installation instructions. If this device fails to function properly, it should be returned promptly to the supplier for replacement.

ArmorLatch® Manufacturer's Warranty

Nationwide Industries

DISCLAIMER

Nationwide Industries does not recommend using any lever-handle or pull-handle latches on a pool gate. Even when these types of latches are mounted at a height which would meet most pool safety codes, it is still inherently easier for a child to "hook" something (i.e. towel, rope, branch, etc.) around this type of handle (vs. a pool safety latch), possibly allowing the gate to be opened. Visit www.nationwideindustries.com to see pool gate safety latch options, which are more appropriate for this intended use. A pool owner or operator is always responsible for the safety of those in or around the pool and, to the extent this product is ever used around a pool, the manufacturer and supplier of this device cannot and will not accept such responsibility. In addition, the manufacturer and supplier of this device cannot and will not accept responsibility for unauthorized modifications to or for defective or inadequate maintenance of this device. No modification to this device whatsoever is to be made other than with respect to the adjustments outlined in the installation instructions. If this device fails to function properly, it should be returned promptly to the supplier for replacement.

Effective for products sold after 1/1/15.

Shotgun® Gate Closers

Nationwide Industries

Tampa, Florida 33619

USA

The shotgun® gate closers are designed and manufactured by: Nationwide Industries, Inc.

Note:

Swimming pool gates, fences and their hardware are designed to aid and not substitute for adult supervision. To the extent this product is used around a pool, prior to installing, consult local licensing and safety authorities for approvals and/or requirements. The shotgun® will operate properly only if installed in accordance with instructions.

Maintenance: The shotgun® gate closers must be inspected at least once a year, or more frequently if the gate is used several times daily. Closer tube adjustments should only be made in accordance with the directions. (Use a non-toxic lubricant on all moving parts. Use mild soap & water to clean exterior body or unit. Occasionally re-tighten all mounting screws to assure proper operation.)

IMPORTANT: shotgun® gate closers REQUIRE a gate stop to prevent the opening of the gate beyond 90°. Opening a gate past 90° will damage the closer, and void this warranty.

1 Year Warranty and Liability Limitation

What Does This Warranty Cover? This warranty covers any defects in materials or workmanship in your new shotgun® gate closer, with the exceptions stated below.

How Long Does the Coverage Last? This warranty runs for 1 year from the end user's date of purchase.

What Does This Warranty Not Cover? This warranty is void in its entirety in the event the shotgun® gate closer is tampered with, altered, misused, neglected, damaged, improperly installed or maintained, repaired or attempted to be repaired by an unauthorized person, or used in any manner which is not in accordance with the instructions provided by Nationwide. Nationwide's aggregate liability in damages or otherwise shall not exceed the greater of the following:

- replacement of the product only (not including installation), or if no longer available, providing an alternate replacement product which is equivalent in function to the shotgun®, or
- payment, if any, received by Nationwide for the gate closers furnished to you which is the subject of a claim or dispute.

In no event shall Nationwide be liable, whether in contract, in tort, under warranty, in negligence or otherwise for incidental, consequential, or special damages of any kind whatsoever, howsoever caused. This warranty does not cover damage to closers opening more than 90°. A gate stop must be installed to prevent the opening of the gate beyond 90°.

What Will Nationwide Do? In the event of any defect in material or workmanship in the product covered under this warranty, Nationwide will replace such shotgun® gate closer with a new shotgun® gate closer (or, in the event the Shotgun™ gate closer is no longer available, a closer similar thereto) at no charge.

How Do You Get Service? In the event of any defect in material or workmanship in the shotgun® gate closer covered under this warranty, send such postage paid, together with proof of purchase and a brief written description of the problem to Nationwide Industries, 10333 Windhorst Road, Tampa, Florida 33619, *Attention: Customer Service Manager*

A pool owner or operator is always responsible for the safety of those in or around the pool and, to the extent this product is used around a pool, the manufacturer and supplier of this device cannot and will not accept such responsibility. In addition, the manufacturer and supplier of this device cannot and will not accept responsibility for unauthorized modifications to or for defective or inadequate maintenance of this device. No modification to this device whatsoever is to be made other than with respect to the adjustments outlined in the installation instructions. If this device fails to function properly, it should be returned promptly to the supplier for replacement.

The Zip-Latch®

Nationwide Industries
Tampa, Florida 33619
USA

The Zip-Latches® are designed and manufactured by: Nationwide Industries, Inc.

Note:

Swimming pool gates, fences and their Hardware are designed to aid and not substitute for adult supervision. To the extent this product is used around a pool, prior to installing, consult local licensing and safety authorities for approvals and/or requirements. The Zip-Latch® will operate properly only if installed in accordance with instructions.

Maintenance: The Zip-Latch® should be inspected annually, or more frequently if the gate is used often. Use a non-toxic lubricant on all moving parts. Use mild soap & water to clean exterior body or unit. Occasionally re-tighten all mounting screws to assure proper operations.

Lifetime Warranty and Liability Limitation

What Does This Warranty Cover? This warranty covers any defects in materials or workmanship in your new Zip-Latch®, with the exceptions stated below.

How Long Does the Coverage Last? This warranty runs for as long as the original purchaser owns the Zip-Latch®. This warranty only covers the original purchaser and coverage terminates if you sell or transfer the Zip-Latch®.

What Does This Warranty Not Cover? This warranty is void in its entirety in the event the Zip-Latch® is tampered with, altered, misused, neglected, damaged, improperly installed or maintained, repaired or attempted to be repaired by an unauthorized person, or used in any manner which is not in accordance with the instructions provided by Nationwide. Nationwide's aggregate liability in damages or otherwise shall not exceed the payment, if any, received by Nationwide for the Zip-Latch® furnished to you which is the subject of a claim or dispute. In no event, shall Nationwide be liable, whether in contract, in tort, under warranty, in negligence or otherwise for incidental, consequential, or special damages of any kind whatsoever, howsoever caused.

What Will Nationwide Do? In the event of any defect in material or workmanship in the product covered under this warranty, Nationwide will replace such Zip-Latch® with a new Zip-Latch® (or, in the event the Zip-Latch® is no longer available, a Latch similar thereto) at no charge.

How Do You Get Service? In the event of any defect in material or workmanship in the Zip-Latch® covered under this warranty, send such Zip-Latch® postage paid, together with proof of purchase and a brief written description of the problem to Nationwide Industries, 10333 Windhorst Road, Tampa, Florida 33619, *Attention: Customer Service Manager*
